### First Grade DI Night – September 25<sup>th</sup>

This is an amazing opportunity to invest and educate you in our DI program. This is for any parent that has a scholar in the first grade DI program. Teachers will be modeling what first grade DI looks and sounds like. Teachers will discuss homework, binder/ folders, rotations, number of lessons in each component (R,L,M), what mastery looks like, when are check outs given, thermometers charts, teacher/student game, signals, workbook expectations, DIBELS and importance of attendance. Teachers will also discuss the importance of finishing the program so that students are on grade level by EOY. There will be 3 rotations of 20 minutes each. The fourth classroom will house all the scholars so that you get to focus on the main components of DI.

**What:** 1<sup>st</sup> Grade DI Night  
**Who:** 1<sup>st</sup> Grade Families  
**Time:** 5pm – 6pm  
**Where:** First Grade Classrooms

### Super Hero Day T-Shirt Day – September 25<sup>th</sup>

Scholars can wear a T-Shirt featuring their favorite Super Hero; pants & shoes of their choice. If your scholar will not participate they should wear their IDEA Uniform. No costumes please.

## Message from our School Nurse

### Healthy Kids Here! Kids Need Water. Kids Need Sleep

#### Benefits of Kids Drinking Water

- Prevents dehydration, allows for the body to improve basic functions
- Helps improve memory, motor skills, and academic performance

#### Benefits of Kids getting Sleep

- Most kids need about 9.5 hours of sleep per night; cells rejuvenate, muscles are built and the body restores itself
- Helps stay alert, focus attention and retrieve information from memory during the day
- Research suggests it affects growth and boosts the immune system

### Are You Hydrated?

Take the Urine Color Test

HYDRATED	Optimal
	Well Hydrated
DEHYDRATED	Dehydrated <small>Drink more water</small>
	Seek Medical Aid <small>May indicate blood in urine or kidney disease</small>
