March 5, 2018	4 TH Grade	IA - Math

Attendance Matters

Your child can be counted present on the days they have a dr. appointment in a few ways. First, we will need to either check your scholar out early or they can come in after their appointment at any time. Either way, a dr. excuse must be presented to the front office in order to change the absent to present. Another option, is to schedule appointments later in the day so that your student doesn't miss attendance time, which for academy is 10:00 am.

If your child has a fever, diarrhea, or is contagious they cannot be at school. Otherwise, they are expected to be present. If they are not feeling well, have them come in for a while, and if at lunch they still do not feel well, we can call the parent to come in and pick them up early.

If you fail to notify the front office AND homeroom teacher regarding your child's absence, you can expect to receive several types of communications such as calls to all numbers on file, voicemails to all numbers, text messages, REMIND messages, and home visits. Please respond so that we can notate the reason for the absence as well **AS DETERMINE WAYS THAT WE CAN HELP ASSIST YOU WITH ATTENDANCE ISSUES YOU MIGHT BE HAVING.**

Notify Jane Suarez in the Attendance office AND child's homeroom teacher, and provide a valid excuse for the absence.
