IDEA CARVER ACADEMY PARENT WEEKLY

Message from our Nurse...

Dear Parents,

FUEL UP FOR FUN!!!!!!!!!!!!!!

Whether you hit the court, the field, the track, the rink, or your back yard to get some physical activity, you'll need some fuel to keep you going!

Here are some great snacks to munch on to keep your body movin' and your stomach silent:

Fresh veggies like carrots and celery sticks

Snack-sized boxes of raisins

Pretzels

Low-fat yogurt

Crackers — try graham crackers, animal crackers, or saltines

Bagels

Fig bars

Fruit juice boxes (make sure you choose 100% pure fruit juice, or for an added boost, try orange juice with added calcium)

Small packages of trail mix

Fresh fruits such as bananas, oranges, grapes (try freezing your grapes for a new taste.) Tips

No matter what type of physical activity you do, you should always be sure to drink plenty of water — before you start, during the activity, and after you're done, even if you don't feel thirsty.

In observance of Black History Month, Ms. Benson's and Ms. Jimenez' Kinder class learned about our very own George Washington Carver during Humanities today!
