Electronic devices / STAAR Testing

It has been an amazing year at IDEA Carver Academy. STAAR testing is right around the corner. On STAAR testing days your Administration asks that you don’t allow your scholar to bring any electronics to school. This includes, cell phones, smart watches, and tablets. The state of Texas has very strict guidelines around electric devices in testing environments. If a cell phone or watch was to ring during a test, this could result in a serious violation for your child and our school campus. Please refer to the TEA website if you need further explanation. <https://tea.texas.gov/student.assessment/manuals/dccm/> S-38

IDEA CARVER ACADEMY PARENT WEEKLY

Liveschool

Dear Parents!

This school year was the first year that we utilized Liveschool for positive behavior management and to uphold our campus expectations. The staff and students love Liveschool and we are excited about bringing it back next year school year. Our students have enjoyed our monthly Liveschool Incentives and our Liveschool store on a bi-weekly basis. This year, your Lead Team has ordered 3 IPADS that will be handed out at the end of the year to the students that have the most Liveschool Points earned and saved in their bank account throughout the year. This is super exciting, as we have scholars that have been working hard all year and accumulating points. We are looking forward to seeing who the winners are!!! #GotLiveschoolPoints?

We will have three Liveschool events during the last 6 weeks of school to encourage positive behavior and perfect attendance.
