## UPCOMING EVENTS

### Carver Community Event – Tomorrow April 14<sup>th</sup>

Dear K-5 Team and Family,

We have been given an amazing opportunity to collaborate with our local church called God's Property Christian Community Church. **Their goal is to share HOPE.** They will be having a family activity event on April 14, from 10:00-11:30. This is not a school sponsored event but a community engagement project. All children must be accompanied by their parent. Light lunch will be served on a first come first serve basis. If you need more info, please call front office 210) 223-8885.

### Talent Show Auditions Monday 4:30pm

Carver Cougars, It's about that time again! It's time to show us your talent. We are looking for scholars who can sing, dance and show off their amazing skill. We had an awesome show cases in the previous years, now it's your TIME TO SHINE!

- Students should provide CD, flash drive, or iPod/MP3 player with their song on it if they are using a track on their audition.
- Reach out to Mrs. Henderson at 210)556-9431 if you have any questions.

### Oh, the Places You'll Go! Annual Float Parade

It's never too early to start thinking about your preferred college or university. So that students can expand their knowledge of the many universities and colleges to choose from, they will select one and do a short research paper.

1. First, scholars need to choose a future professional career.
2. Then, research a college/university where they could study to be a future career.
3. Students will need to write an informational paragraph naming:
  - the college/university,
  - the year it was established,
  - where it is located,
  - how many years it will take to complete their schooling,
  - 3 interesting facts about the school's history or current traditions.
4. Students will decorate their float to represent their chosen college/ university and can wear their college spirit shirt or colors to match their project or they can dress for their future career!

We can't wait to see all the wonderful places our students will go!
